Christmas 24

We love this time of year and the fact that Christmas is here again with all its traditions. Traditions that we love and trust - it makes us safe and happy. This special season creates joy, and we know that it always brings something good to us and our loved ones.

As the days go by, we enjoy the excitement of family and friends when the tree is decorated, the table is set, and the home is decorated for Christmas gatherings.

Christmas equals togetherness and maintaining traditions, from the first day the calendar is opened until the Christmas dinner is served and marks that this magical month has flown away again this year - just as we know and love it!

SMALL CHRISTMAS SURPRISES

counting the days

AT FIRST GLANCE you might think that the Elimar Calendar is just a box, but when opening the box, you are surprised by a white winter landscape and a cozy light – and 24 small drawers for a small gift every day until Christmas.

TREATS CUP

LOVE IN A CUP is literally what the Treats Cup is! The hand-painted cup with the cute quote is perhaps the sweetest declaration of love that can be given in the month of Christmas. Fortunately, the cup can also be used in all other months of the year, as it will simply bring joy again and again to the person who uses it. The series also includes a bowl and both styles are perfect gift ideas for your loved ones!

CELEBRATE THE HOLIDAYS WITH

COZY Christmas displays

CHRISTMAS DECORATION is highly valued for many, and we love to decorate the home once a year. However, we also like to be able to use our belongings as much as possible, which makes Kammy, Kamila, and Gine a find when it comes to that. The vases can be used all year round – they just need to be decorated according to the season.

NORMAN DECO TREE

Finding the favorite CHRISTMAS TREE

THE CHRISTMAS TREE is a beloved tradition at Christmas time. It comes in many designs, in stoneware, glass, or plastic, like the Norman Deco Tree. The Norman Deco Tree is very lifelike and can be reused year after year. For some, it is preferable that the Christmas tree does not lose its needles and requires no care, while others feel that the tree must come from nature. The most important thing is that we can maintain the tradition of decorating the tree with our favorite ornaments, lights, and garlands – preferably together with our loved ones.

CHRISTMAS IS THE TIME TO BE WITH THE PEOPLE YOU LOVE

the season of hearts

OUR CUTE FURRY FRIENDS are an addition to the Peo Ornaments, which are already a beloved classic in the Christmas collection. The little mice spread joy wherever they are placed, whether on branches, doorknobs, or perhaps on Christmas presents. A new mouse can be added to the family every year, if the dog ornament Monty is not preferable instead?
